Dear Supporter of the Arts,

As a member of the Clearfield Arts Studio Theatre, Inc. (CAST), you are aware of all the wonderful programs CAST has brought to the Clearfield County community for 38 years. With your support and the support of our community, we are proud of the vast array of theatrical performances we present, from classics to the most recent shows available; and from comedy and musical to drama and mystery. We think it shows, too, that we enjoy bringing these experiences to you, as much as you enjoy attending.

With the guidance of a committed board of directors, CAST is dedicated to its mission: *to foster the promotion of community interest in theatre, music, art, dance, photography, and theatrical production, for education, civic and benevolent purposes.*

By sharing with our community a variety of arts throughout the year, we have presented special music events throughout the years, including rock, blues, country, classical and Christian rock. Friday Night Live and Choral Society are year-round traditions, and many performances provide charitable contributions to non-profit organizations in need.

We have focused on building improvements recently and hope you've noticed the new windows, flooring and paint. Our restrooms have had a facelift and the lobby entrance features a beautiful new double-door. CAST welcomes other community organizations to use our facility, and has been the home for writer's workshops, reader's theater, music and acting lessons, dance programs, and more!

Another of our ongoing missions is to develop, foster, and nurture a love of the arts in the young people in our community. We offer youth programs such as show choir (High Voltage), the arts camp, (Seeds of Art), and a yearly show -- one completely geared for them as performers and as an audience.

If you are interested in continuing to be a part of the growing success of CAST, we invite you to be a member in 2020. CAST members enjoy the following benefits:

- Voting rights for new board members (members must be present at the membership meeting to vote)
- Pride and support of regular CAST programs
- Access to ongoing communications about up-coming events
- Opportunity to run for open board positions

To become a member, please complete and return the membership form. We hope you will join us at the annual membership meeting on Monday, September 9, 2019, at 6:30 pm. And, if you are interested in running for a vacant board position, or wish to nominate someone, please contact CAST no later than September 2, 2019. (Please note: board members must be members of CAST)

In years past, CAST has offered the opportunity to sponsor a seat, and commemorate this sponsorship with a plaque displaying a name or message of your choice. We have recently taken inventory of seats available for sponsorship and are offering these seat sponsorships on a first-come, first-served basis. Since we have just 46 available, we wanted to offer you the first opportunity.

If you are interested in sponsoring a seat, please complete the back portion of the membership form and submit your request along with your membership application and donation.

**Thank you for your continued support!**
